## ENVIRONMENTAL POLICY

N. Q. Civil Engineering Contracting Pty Ltd (NQCEC) is a civil engineering contracting company specialising in Road Construction, Contract Mining Operations (including Infrastructure work), Subdivision Water and Sewerage Reticulation, Storm water Drainage, Earthworks and Plant Hire.

NQCEC are committed to pursuing industry specific best practice environmental performance and recognise the importance of implementing measures to limit or manage impacts on the environment due to construction activities.

It is the responsibility of management, staff and associated subcontractors to provide an environmentally responsible service to our customers and the greater community.

The objective of this Policy is to:

- Conduct our operations in accordance with the relevant environmental legislation, regulations, codes of practice and standards;
- Provision of an effective risk management process for the ongoing identification of environmental impacts in relation to our projects and business activities;
- Ensure environmental responsibilities are established for personnel;
- Set specific environmental objectives and targets in relation to our business activities and ensure they are monitored and maintained;
- Ensure staff are provided with adequate environmental education and training to continually improve awareness, performance and knowledge of environmental issues;
- Establish and continually improve environmental objectives for inclusion in project planning and management;
- Ensure waste minimisation principles are established and applied to project operations;
- Commitment to ensuring all personnel and subcontractors respect the environment including the rights and opinions of local communities and the preservation of cultural and heritage locations.

To support the above objectives, NQCEC will maintain its Environmental Management System for its business based on ISO 14001.

To ensure that this policy remains up-to-date with the current legislation and preventative initiatives, it will be reviewed on a two yearly basis.

Signed

Bruce Martin (Managing Director)
